- c) Node.js
- d) HTML 5
- e) CSS/Less

Answer: a, d, e

Question: 9

Oracle Commerce Cloud allows developers and business users to change the shopper experience to suit their needs by modifying components within page layouts via the REST APIs or via the Administration UI.

How can you create a new page layout instance?

- a) Create a new layout instance by cloning an existing layout instance
- b) Upload a new storefront extension that defines the new layout instance
- c) Determine the type of layout and create a new blank instance
- d) You cannot create a new layout instance since there is a fixed number of layouts that cannot be updated

Answer: b

Question: 10

You want a contact with an associated storefront role of Administrator to be able to manage contact registration requests for their account.

What two configuration steps are necessary to implement this functionality?

(Choose two.)

- a) Add the Contact Login with Self Registration element to support B2B Contact Registration Requests in the Header Widget instance
- b) Ensure that generated emails for registration requests are enabled to allow the administrator to accept or reject the request directly from the email
- c) Ensure that the Profile Navigation – Account Shoppers widget instance supports Registration Requests on My Account for storefront administrators
- d) Configure the Contact Registration Requests widget settings to specify the storefront role of admin

Answer: c, d

What Study Guide Works Best in Acing the Oracle 1Z0-1068-21 CX Commerce Implementation Essentials Certification?

The 1Z0-1068-21 study guide is a combination of some proven study tips and the combination of all valuable study materials like sample questions, syllabus and practice tests in one place.

Explore the Syllabus Topics and Learn from the Core:

If you are determined to earn success in the CX Commerce Implementation Essentials exam, getting in full touch of the [syllabus](#) is mandatory. During preparation, you might not like all syllabus sections or topics, but try to get at least the fundamental knowledge from the sections you don't like. The more you possess knowledge on all syllabus sections, the more is the chance to attempt maximum number of questions during the actual exam.

Make Your Schedule:

Studying and completing the syllabus becomes easier, if you work on the syllabus topics after making a schedule. Your syllabus must mention what areas you want to cover and within what time. Once you make a schedule and follow it regularly, syllabus completion becomes easier and preparation becomes smoother.

Get Expert Advice from the Training:

Do not forget to join the Oracle 1Z0-1068-21 training if it is providing any. Training enhances the practical knowledge of a candidate, which helps them to work well in the practical field during projects.

Get Access to the PDF Sample Questions:

If your study material is in a [PDF format](#) or the materials are mobile-friendly, what could be better than that? Get access to the free sample questions and keep enhancing your knowledge beyond the syllabus.

Avoid Dumps and Utilize the Oracle 1Z0-1068-21 Practice Test:

Why should you rely on practice tests? The reason is simple: you must get familiar with the exam pattern before reaching the exam hall. An aspirant aware of the exam structure and time management during the exam preparation can perform well in the actual exam and attempt the maximum number of questions during the exam.

Many aspirants prefer to read from dumps, but they miss out on the self-assessment method. Therefore, 1Z0-1068-21 practice tests always stand out to be the better choice than dumps PDF.

Avail the Proven 1Z0-1068-21 Practice Test for Success!!!
