    b) 768
    c) 1024
    d) 9216

Answer: c

Question: 10

Which Cisco Nexus switch is designed for low latency L2/L3 IP only networks?

    a) Nexus 5548
    b) Nexus 7000
    c) Nexus 3048
    d) Nexus 5596

Answer: c

What Study Guide Works Best in Acing the Cisco 500-173 FlexPod Design Certification?

The 500-173 FPDESIGN study guide is a combination of some proven study tips and the combination of all valuable study materials like sample questions, syllabus and practice tests in one place.

Explore the Syllabus Topics and Learn from the Core:

If you are determined to earn success in the FlexPod Design exam, getting in full touch of the **syllabus** is mandatory. During preparation, you might not like all syllabus sections or topics, but try to get at least the fundamental knowledge from the sections you don't like. The more you possess knowledge on all syllabus sections, the more is the chance to attempt maximum number of questions during the actual exam.

Make Your Schedule:

Studying and completing the syllabus becomes easier, if you work on the syllabus topics after making a schedule. Your syllabus must mention what areas you want to cover and within what time. Once you make a schedule and follow it regularly, syllabus completion becomes easier and preparation becomes smoother.

Get Expert Advice from the Training:

Do not forget to join the Cisco 500-173 training if it is providing any. Training enhances the practical knowledge of a candidate, which helps them to work well in the practical field during projects.

Get Access to the PDF Sample Questions:

If your study material is in a **PDF format** or the materials are mobile-friendly, what could be better than that? Get access to the free sample questions and keep enhancing your knowledge beyond the syllabus.

Avoid Dumps and Utilize the Cisco 500-173 Practice Test:

Why should you rely on practice tests? The reason is simple: you must get familiar with the exam pattern before reaching the exam hall. An aspirant aware of the exam structure and time management during the exam preparation can perform well in the actual exam and attempt the maximum number of questions during the exam.

Many aspirants prefer to read from dumps, but they miss out on the self assessment method. Therefore, 500-173 practice tests always stand out to be the better choice than dumps PDF.

Avail the Proven 500-173 Practice Test for Success!!!

Do you want to pass the 500-173 exam on your first attempt? Stop worrying; we, NWExam.com are here to provide you the best experience during your Designing the FlexPod Solution preparation.
