Get an Overview of the A00-223 Certification:

Who should take the [A00-223 exam](#)? This is the first question that comes to a candidate's mind when preparing for the SAS Data Curation certification. The A00-223 certification is suitable for candidates who are keen to earn knowledge on the Data Management and grab their SAS Certified Professional - Data Curation for SAS Data Scientists. When it is about starting the preparation, most candidates get confused regarding the study materials and study approach. But A00-223 study guide PDF is here to solve the problem. A00-223 PDF combines some effective sample questions and offers valuable tips to pass the exam with ease.

Why Should You Earn the SAS A00-223 Certification?

There are several reasons why one should grab the A00-223 certification.

- The SAS Data Curation certification proves to be one of the most recognized certifications.
- The certification badge proves the knowledge of the candidate regarding subject matters and makes his resume presentable to potential candidates.
- Thus earning the [SAS Certified Professional - Data Curation for SAS Data Scientists](#) is a powerful qualification for a prosperous career.

What Is the SAS A00-223 SAS Data Curation Certification Exam Structure?

Exam Name	SAS Certified Professional - Data Curation for SAS Data Scientists
Exam Code	A00-223
Exam Duration	110 minutes
Exam Questions	65-72
Passing Score	67%
Exam Price	\$180 (USD)
Training	Introduction to Data Curation for SAS® Data Scientists SAS® Data Management Tools and Applications SAS® and Hadoop Additional SAS® Data Management Tools and Applications
Exam Registration	Pearson VUE
Sample Questions	SAS Data Curation Certification Sample Question
Practice Exam	SAS Data Curation Certification Practice Exam

Enhance Knowledge with A00-223 Sample Questions:

Question: 1

A user is looking at the Basic Properties pan, as shown below.

Basic Properties	
Name	Value
Name	Customer
Description	
Folder Location	/Data Mart Development/Source Data
Checked Out By	
Table Name	CUSTOMER
Library	Source Library (diftodet)
DBMS	SAS Table
Number of Rows	Row count is disabled
Number of Columns	12

The Number of Rows attribute shows Row count is disabled. Why is the row count disabled?

- The "Enable row count on basic properties and data viewer for tables" global option is not set.
- No physical dataset exists for the Customer table metadata object.
- The table's "Enable row count on basic properties and data viewer for tables" option is not set.
- The user does not have read permissions on the folder where the physical dataset is stored.

Answer: a

Question: 2

Consider the following three data sets and the Pig program statement. What is the expected behavior?

A = { a1:chararray, a2:int}

B = { b1:chararray, b2:int, b3:float}

C = { c1:chararray, c2:int, c3:float, c4:double}

Pig Program Statement:

D = JOIN A BY (a1, a2),

B BY (b1, b2, b3),

C BY (c1, c2, c3);?

- statement runs successfully
- statement gives a compile error JOIN can happen only on two data sets at a time
- statement gives a compile error that the JOIN columns have to equal number for all three data sets
- statement gives a compile error that the keyword INNER or LEFT OUTER or RIGHT OUTER or FULL is missing

Answer: c

Question: 3

SAS data quality functions in SAS Federation Server are implemented as what type of object?

- a) FedSQL views
- b) DS2 methods
- c) QKB definitions
- d) BASE data services

Answer: b

Question: 4

In Hadoop, what is the purpose of the YARN component?

- a) HDFS file metadata management
- b) data distribution and replication
- c) job scheduling and resource management
- d) HDFS file permissions and security

Answer: c

Question: 5

Which is NOT defined as part of the New Library Wizard?

- a) the type of library
- b) the metadata name for the library
- c) the location of the library
- d) the operating system where the library is assigned

Answer: d

Question: 6

After running the following SAS program, what is the format of the HDFS file underlying the Hive table my.cars?

```
libname myhdp hadoop server='mysrvr' user='me' password='mine'
```

```
schema='my';
data my.cars;
set sashelp.cars;
run;
```

- a) Parquet
- b) Text
- c) Sequence
- d) Avro

Answer: b

Question: 7

Consider the partial data job flow shown below:

Match codes fields were generated based on these fields:

NAME
ADDRESS
CITY
STATE

The Clustering node is "over matching". Therefore, it is finding matches where there should NOT be matches.

What can you do in the Clustering node to prevent "over matching"?

- a) Specify a different Cluster ID field.
- b) Specify "Single row clusters only".
- c) Add more conditions perhaps involving more of the match code fields.
- d) Specify "Sort output by cluster number and remove duplicates".

Answer: c

Question: 8

You use the PROC DQSRVSVC in a SAS program to pass data to a service that was written in DataFlux Data Management Studio. Where does the service execute and process the data?

- a) DataFlux Data Management Studio
- b) DataFlux Data Management Server
- c) SAS Application Server
- d) SAS Application Server

Answer: b

Question: 9

Which statement about writing explicit SQL pass-through code is true?

- a) You can use any SAS programming method, naming DBMS tables as input.
- b) All the code you write will execute in the DBMS instead of in SAS.
- c) Automatically generated DBMS SQL might unintentionally cause all processing to happen in SAS instead of the DBMS.
- d) You must be able to write native DBMS SQL code.

Answer: d

Question: 10

Which directive allows you to write custom DS2 code?

- a) Run a SAS program.
- b) Run a Hive program.
- c) Query or Join Data in Hadoop.
- d) Profile Data.

Answer: a

What Study Guide Works Best in Acing the SAS A00-223 SAS Data Curation Certification?

The A00-223 study guide is a combination of some proven study tips and the combination of all valuable study materials like sample questions, syllabus and practice tests in one place.

Explore the Syllabus Topics and Learn from the Core:

If you are determined to earn success in the SAS Data Curation exam, getting in full touch of the [syllabus](#) is mandatory. During preparation, you might not like all syllabus sections or topics, but try to get at least the fundamental knowledge from the sections you don't like. The more you possess knowledge on all syllabus sections, the more is the chance to attempt maximum number of questions during the actual exam.

Make Your Schedule:

Studying and completing the syllabus becomes easier, if you work on the syllabus topics after making a schedule. Your syllabus must mention what areas you want to cover and within what time. Once you make a schedule and follow it regularly, syllabus completion becomes easier and preparation becomes smoother.

Get Expert Advice from the Training:

Do not forget to join the SAS A00-223 training if it is providing any. Training enhances the practical knowledge of a candidate, which helps them to work well in the practical field during projects.

Get Access to the PDF Sample Questions:

If your study material is in a [PDF format](#) or the materials are mobile-friendly, what could be better than that? Get access to the free sample questions and keep enhancing your knowledge beyond the syllabus.

Avoid Dumps and Utilize the SAS A00-223 Practice Test:

Why should you rely on practice tests? The reason is simple: you must get familiar with the exam pattern before reaching the exam hall. An aspirant aware of the exam structure and time management during the exam preparation can perform well in the actual exam and attempt the maximum number of questions during the exam.

Many aspirants prefer to read from dumps, but they miss out on the self assessment method. Therefore, A00-223 practice tests always stand out to be the better choice than dumps PDF.

Avail the Proven A00-223 Practice Test for Success!!!

Do you want to pass the A00-223 exam on your first attempt? Stop worrying; we, AnalyticsExam.com are here to provide you the best experience during your SAS Certified Professional - Data Curation for SAS Data Scientists preparation. Try out our free mock tests to get a glimpse of our quality study materials, and build your confidence with the premium [A00-223 practice tests](#). Our expert-designed questions help you to improve performance and pass the exam on your first attempt.
